This letter of recommendation was given by "UzTelecom" JSC to Jonikulov Javokhir, a student of Samarkand Branch of Tashkent State University of Economics, for his future academic pursuits. He successfully completed a one-month internship program in our company, leaving a great impression on our team with his exceptional skills and unwavering dedication.

Javokhir's contributions exceeded the expectations normally associated with interns. He has consistently demonstrated his problem solving, decision making and resilience skills, solving problems with a mix of analytical thinking and creative solutions. He showcased a proactive approach, effectively applying his programming and artificial intelligence expertise to simplify and automate various tasks within our company.

Beyond his technical skills, Javokhir is a team player who fostered collaboration and a strong work ethic. His eagerness to learn and share knowledge impressed everyone he interacted with.

We are proud of this candidate. Thanks to his hard work and perseverance, we admire him. We have no doubt that Javokhir will become a proficient specialist in the future. Based on his performance and character, we have no hesitation in recommending Javokhir for his future endeavors. We are confident that Javokhir will excel in any professional or academic environment he chooses to pursue. His remarkable potential, coupled with his exceptional skills and character, make him a standout candidate with a promising future.

Sincerely,

Umarov Shokhrux,
